

# WHAI's Practices by Wise Women

WHAI's Practices by Wise Women is part of **WHAI's Women and Harm Reduction In Ontario: A Capacity Building Toolkit**, which was created to strengthen the work harm reduction programs do with women who use drugs. Based on consultations with women who use drugs across Ontario, this resource outlines practices to help increase women's access to harm reduction program.

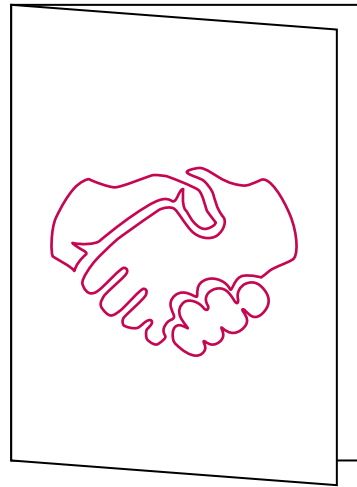

This 4-part series includes:

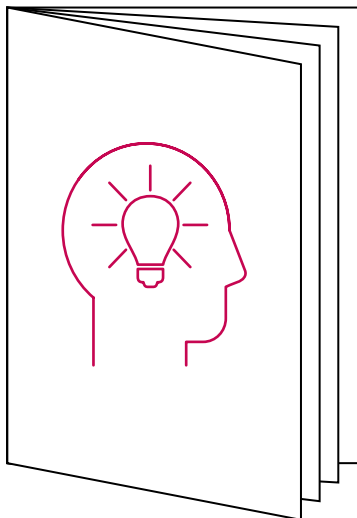

**1 MEANINGFUL INVOLVEMENT OF  
WOMEN WHO USE DRUGS**

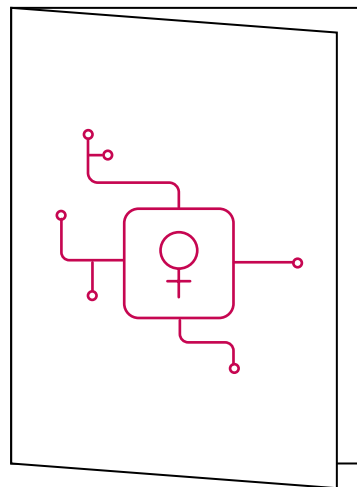

**2 RELATIONSHIP BUILDING**

**3 WOMEN-SPECIFIC AWARENESS  
AND KNOWLEDGE**

**4 PROGRAM STRUCTURES**

Recognizing that resources are limited, we encourage organizations to be creative in finding ways to include these practices wherever possible.
